ICRA has been trying to seek information from the entity so as to monitor its performance. Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite repeated requests by ICRA, the entity's management has remained non-cooperative. The current rating action has been taken by ICRA basis best available/dated/ limited information on the issuers' performance. Accordingly, the lenders, investors and other market participants are advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.
