<sup>\*</sup>Issuer did not cooperate; based on best available information.

## **Rationale**

The rating downgrade reflects Delay in Debt Repayment as mentioned in publicly available sources.

The rating is based on limited information on the entity's performance since the time it was last rated on December 27, 2022. The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity, despite the downgrade.

As part of its process and in accordance with its rating agreement with Sanghvi Buildtech LLP, ICRA has been trying to seek information from the entity so as to monitor its performance Further, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, the rating has been continued to the "Issuer Not Cooperating" category. The rating is based on the best available information.
