### Rationale

ICRA has moved the rating for the bank facilities of Mohan Enterprises (ME) in the 'Issuer Not Cooperating' category. The rating is denoted as "[ICRA]BBB+(Stable) ISSUER NOT COOPERATING".

The rating is based on limited cooperation from the entity since the time it was last rated in July 2023. As a part of its process and in accordance with its rating agreement with ME, ICRA has been sending repeated reminders to the entity for payment of surveillance fee that became due. Despite multiple requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite cooperation and in line with the aforesaid policy of ICRA, the rating has been moved to the "Issuer Not Cooperating" category. The rating action has been taken in accordance with ICRA's policy on non-cooperation by a rated entity available at [www.icra.in](http://www.icra.in).

Please refer to the following link for the previous detailed rationale that captures the key rating drivers and their description, liquidity position, rating sensitivities: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.
